2025 SPONSORSHIP OPPORTUNITIES

IN HONOR OF PETE FRATES

Throughout my charitable efforts, I have been fortunate enough to be involved with Pete Frates and his family. Pete's fight has not only been an inspiration to the ALS community, but to the nonprofit world as a whole. The power of Pete's legacy was overwhelming at The Captain's Ball, donating over \$500,000 in Pete's honor towards the fight against ALS. My family and I look forward to continuing our work towards fulfilling Pete's Promise at our

4th annual Captain's Ball in honor of Pete Frates on September 25th, 2025. I hope you will join us in our effort to continue Pete's legacy and make an impact in the ALS community.

President, Bourque Family Foundation

THE PETER FRATES ALS FOUNDATION

The Peter Frates ALS Foundation assists progressed ALS patients and their families with the overwhelming cost of home health care. As the disease of ALS progresses through the patient's body, the employment of specialized and skilled providers is imperative for required level care assuring the stability of the patient as they continue to live in their home surrounded by the love and comfort of family and friends.
